Background

Established in 1957 with 28 members as a closed-bond institution, the Sault Civic Employees Credit Union – today, Northern Credit Union is a National-bond, cooperative financial institution with a brand that is resonating province-wide, that belongs to 73,000 personal and business members.

Northern has grown to operate 25 branches in 24 communities across Ontario, with locations nearly spanning between the borders of Quebec and Manitoba and provides employment to more than 230 people. As Northern continues to break barriers through digital channels, you can become a Northern member anywhere across Canada.

Our name says it all. Northern Credit Union is a homegrown financial institution that embraces everything the north stands for: our culture, our Northern pride and the sense of belonging to something larger. The North is more than a place---it's a way of life---and it's something we all share. We refer to that (and our brand) as "True North Strong".

Election Process

There are four (4) director positions open for three (3) year terms.

The Nomination period **opens Thursday, November 10, 2022 at 9:00 am and closes Friday, December 30, 2022 at 4:00 pm**. The Director Nomination package can be found on Northern's website <https://www.northerncu.com/about/governance>

The Nominating Committee of the Board plays an integral role in the process of reviewing the applications of nominated candidates who meet the eligibility requirements. It is a mandatory requirement that all applicants participate in an interview session conducted by the Nominating Committee. Interview sessions will be scheduled during the week of January 23 – 27, 2023.

Upon completion of the Candidate interviews, the Nominating Committee will make a determination as to the best qualified Candidates to fill the vacant positions. This determination will be based on both the information contained in the Candidate's application, as well as the results of the interview. The Committee will then place their recommendation behind those identified Candidates in a number one greater than the number of vacancies, if at all possible.

The process used for recommending Candidates is based on achieving alignment between a candidate and the Board's need to acquire required skills and fill identified experience gaps. This process enables an objective evaluation and creates the strongest possible team at the Board level in a way that is open and transparent.

The Nominating Committee will advise each Candidate whether they are receiving the Committee's recommendation, and any Candidate not being recommended will have the choice of staying on the ballot and participating in the election. Candidates who have received the recommendation of the Nominating Committee will be identified in the election material presented to the members.

Prior to the opening of the Election period, the Candidate name, Statement of Interest, Biography, Resume and Photograph will be posted on Northern's website. This information will also be available on the electronic voting platform for review and reference purposes. Votes are cast through electronic voting, with the **election period opening on Monday, March 20, 2023 and closing on March 31, 2023**.

Members interested in being nominated to the Board of Directors may obtain additional information by contacting **Vicki Caicco, Corporate Secretary**, vicki.caicco@northerncu.com

Campaigning Policy

Campaigning by candidates is prohibited. The only written communication that may be used regarding a director candidate's candidacy in connection with the election is the information provided to Northern by the candidate for the purpose of a Candidate Statement of Interest, Biography, Resume and photograph. Such written communication may only be distributed by Northern.

The following further defines Northern's guidelines:

- a. The Board of Directors believes that the above noted information provided to members provides sufficient opportunity for a fair campaign, for candidates to convey information about themselves

and for members to educate themselves about the candidates' backgrounds and intended contributions to Northern;

- b. Candidates may not use social media to announce or promote their candidacy;
- c. Director candidates are not permitted to use traditional media (brochures, newsletters, flyers); or disseminate campaign materials including messaging via mass electronic distribution; advertising; rallies, etc., to promote their candidacy in the election;
- d. Director candidates may not organize public meetings to promote their candidacy;
- e. Director candidates must not solicit or participate in interviews with the media in connection with the election or place any advertisement or statements regarding their candidacy in the election in any newspaper, website, or other publication media, or permit anyone to do so, on the director candidate's behalf;
- f. Director candidates are not permitted to campaign on Northern's property, including ATM vestibules or inside branches. This includes physically positioning ones-self on Northern's premises to speak to those entering or attending at Branches. If third parties, beyond the control of the director candidate or Northern choose to ignore this restriction, the director candidate may be asked to show evidence they have not encouraged the support and have made a strong attempt to discourage it; and
- g. No communications between candidates related to the election is permitted. Incumbent directors who are candidates for re-election may communicate with one another or with staff or members in the fulfillment of their duties and obligations as directors only, but not in the context of advancing their candidacy in the election. All candidates continue to enjoy the right to talk with staff in the course of conducting their ordinary banking with Northern but must not discuss election or attempt to advance their candidacy.

All director candidates are expected to abide by these guidelines. The contravention by any director of these guidelines may be grounds for the Nominating Committee to disqualify the candidate, as it determines under the circumstances.

Non-Adherence to Campaigning Policy

Non-adherence to the Campaigning Policy may result in a candidate's disqualification. If disqualified, within 24 hours, the Nominating Committee through the Chief Returning Officer (CRO) shall give written notice of such disqualification to the candidate and the notice shall specify the reason(s) for disqualification.

As per section 7.11 of Northern's by-laws – "Once the Credit Union has issued the notice required by section 7.13(b) hereof, a death, withdrawal or disqualification of a candidate shall be deemed to have occurred or to have been discovered on the day after the date of the meeting at which the election of directors is declared, the candidate's name shall remain on the ballot, and all votes cast for the candidate shall be counted". Should that director be elected, the position will be declared vacant the next day.

Any dispute regarding interpretation, application of alleged violation of this policy shall be dealt with by the Nominating Committee. The decision of the Nominating Committee shall be final, non-appealable and binding.

Board and Committee Meetings

Northern Credit Union’s directors are expected to attend and actively participate in all scheduled Board and Committee meetings. They are also encouraged to attend other Northern organizational and community related activities and be willing to attend credit union system conferences. Directors are required to participate in director education programs.

Meetings of the Board of Directors are an essential part of the credit union’s governance processes. The Board of Directors meet on a quarterly basis, primarily in June, September, December, February (with the exception of Audit Committee which has 5 meetings annually). There may be a necessity to call additional meetings if Board approval is required prior to the next quarterly meeting. The Board uses a policy governance model of leadership that is informed by, and committed to, cooperative principles. Attendance at all Board and Committee meetings is tracked and reported to the Board of Directors and to Northern Credit Union’s members.

As a result of the current circumstances of the ongoing COVID-19 pandemic, two in-person quarterly board meetings will be held (tentatively June / September) with the two other quarterly board meetings (December / March) to be held virtually.

Committee meetings are held virtually. Board members are to inform the Corporate Secretary, prior to any Board or Committee meeting, if they will be absent and the reason.

Committees of the Board

The committees of the Board support and expedite the work of the Board of Directors. Committees of the Board review matters requiring specialized expertise, issue formal recommendations, and in some cases, make decisions on behalf of the Board. This allows the Board to optimize its time and achieve greater depth in its deliberations than would otherwise be possible. In reviewing committee recommendations, the Board’s role is to ensure the soundness of the recommendations without re-doing the work of the committee.

The Board of Directors has five standing committees. Other standing or ad hoc committees may be formed as appropriate. All Directors sit on at least two committees.

Director Nominee Expertise / Experience Self-Assessment

Northern Credit Union is committed to the principle of a high quality Board of Directors, and expects that each director brings to the Board a certain level of knowledge and experience, demonstrates certain key attributes and adheres to certain principles. All directors and candidates for the Board are asked to complete the following self-assessment.

Generally, a multi-tiered profile of attributes is developed and used to seek new Board candidates or nominees. These are all based on and aligned with NCU's strategic direction, stakeholder needs, and specific areas of objectives and challenges.

The 5-Level Matrix

The matrix has 5 competencies and attributes levels. They are:

1. Level 1: Where Have You Been? Industry Knowledge and Experience Competencies: This first group of competencies deals with industry knowledge and experience, *where* individuals have spent large amounts of their adult life.
2. Level 2: What Do You Know? Core Competencies: The second group of competencies deals with functional skills, *what* individuals have learned and know how to do.
3. Level 3: Affinity and Diversity Attributes: The third group of attributes deals with affinities and diversity of individuals, what has informed their thought?
4. Level 4: What Education Do You Have? Educational Competencies: The fourth group of competencies deals with education completed by individuals.
5. Level 5: Character Attributes: The fifth group, character attributes are considerations for the future state board. Typically, when conducting a gap analysis, Board members are not asked to self-assess against these attributes. These are used in communicating the expectations to potential Board members, and for assessing potential Board members against these through the vetting and interview process.
